

Portobello Orchestra Concert Venue

St Clement's Church
95 Sirdar Road
London W11 4EQ
(Entrance in Threadgold Street)

St Clement's is hard to find because of one way streets. The recommended route is to drive along Lancaster Road/Silchester Road and turn left into Bramley road. Drive past Latimer Road station and take the next left. After the road bends sharply to the right you will see the church in front of you. The area is metered with residents parking bays though parking is free on Saturday evenings.

A good place to park is the car park opposite Lancaster Road Methodist Church. There is pedestrian access to Grenfell road at the opposite end from the vehicle entrance. Follow Grenfell road till it bends to the right, and you will see St Clement's in front of you.
