Travelling by Car

From London travel to Guildford (A3) and then Farnham (A3/A31). From Farnham follow the brown road signs for 'Birdworld', going south on the A325 towards Petersfield for 3 miles. Driving from the west reach Alton on the A31 and take the B3004 east towards Kingsley Common, as far as the A325. At the lights, drive a little left and a little right on to Picketts Hill, past the quarry and follow this narrow road for about 1 mile. Headley Park is on the right.

From the south coast, reach Petersfield on the A 3 and follow the A325 through Bordon towards Farnham. At the B3004 lights turn right onto Picketts Hill, past the quarry and follow this narrow road for about 1 mile. Headley Park is on the right.
